Members can purchase online, over the phone, or fax to access these significant savings. We have 700+ items receiving corporate contracted discounts above the already low OfficeMax store pricing!

With no order minimums and **fast delivery**, putting your office and home in order has never been so easy.

For added convenience, OfficeMax has issued Preferred Customer Retail Cards for purchases of contracted items at your local OfficeMax store and for discounts with the Impress Digital Printing service centers within the store.

Feel free to visit the OfficeMax Solutions Web site to purchase contracted office supplies and technology products at www.officemaxsolutions.com.
